RE: Preliminary Notification of Intent to Request Implementation of NYS Courts Mandatory E-Filing Program for Rensselaer County Supreme Court

Dear Ms. Mocerine:

Based on the experience gathered from the successful implementation of consensual E-filing program in Albany County over the past 10 years and the success in other counties throughout NYS, please be advised that I intend to request implementation of the Mandatory E-Filing program in Rensselaer County Supreme Court, beginning in or about November 12, 2019.

There will be ample demonstrations and training sessions both prior to and after the "start-up" date. In addition, this notice is to advise that we will be submitting our request to implement the program to Chief Administrative Judge Lawrence K. Marks, who is commissioned by statute to post this proposal on the UCS website inviting comments from attorneys and all affected parties at <http://www.nycourts.gov/rules/efiling/>. This request and any public comment received will be presented for consultation purposes to an advisory committee. After the committee has reported its review of the implementation to Judge Marks, he will consider our request and may issue an implementation Order thereon.

Please distribute this notice to your members in a manner that you deem appropriate. Our District looks forward to your continued cooperation with this implementation and thanks you for your support.

Sincerely,

Thomas A. Breslin
Third Judicial District Administrative Judge
